

366 - SOLVENT DEGREASER

Multi-Purpose Solvent Cleaner and Degreaser

Removes a wide variety of contaminants such as grease, oil, gum, tar, inks, sludge, asphalt and wax from metal surfaces. Ideal for use in machine shops, garages, factories, industrial repair shops and automotive facilities. May be used on most painted surfaces if contact time is controlled.

Inconspicuous areas should be tested for stability prior to use.

Description: Aerosol

Unit: 1 Dozen
