

733 - NON-TOXIC NOZZLE GEL

Water Based Nozzle Gel

A safe and environmentally friendly alternative to traditional petroleum based nozzle gels. Provides protection against weld spatter on M.I.G. gun nozzles, contact tips, positioners, stud welding chucks and electrode holders on all automatic and semi-automatic welding apparatus. Consistency similar to hand lotion.

Description: 12 x 16 fl oz. Jars

Unit: Case

Features: Biodegradable
